WELCOME TO TRIPLE ARTS!

Hello! Welcome to Madison Hall, where you'll be living for the next three weeks. Settle in and make yourself at home. In three weeks, the strangers moving in around you will be your friends, your family, and a network of future theatre professionals you'll be able to call upon for the rest of your career. We know you have a lot of questions, and we will be happy to answer all of them, but the most important thing to know is that you're going to have an amazing experience. **Alumni from past intensives have provided some advice to help you get the most out of your experience with us at Triple Arts:**

"Don't let any inhibitions or fears hold you back."

-R. Hough, Triple Arts 2014 & 2017

"No matter how scared you are of something, GO FOR IT! Embracing the challenge makes the learning experience all the more worthwhile."

-E. West, Triple Arts 2016 & 2017

"Do something that scares you every day. If you're always comfortable, you're never growing."

-K. Collins, Triple Arts 2014-2018

"Be in it 100% of the time. Listen, take notes, have fun while doing it, but most importantly, be confident in yourself."

-L. Milhoan, Triple Arts 2016 & 2017

"We all have something special to bring to the table—don't compare yourself to anyone else!"

-M. Germain, Triple Arts 2016

"Go out of your comfort zone! That's where the grown happens."

-S. Weiss, Triple Arts 2016
